

print\_error

```
graph LR; A[print_error] --> B[print_usage]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'print\_error'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'print\_usage'.

print\_usage
