

src/sprintf\_irc.h

```
graph TD; A[src/sprintf_irc.h] --> B[stdarg.h]; A --> C[stdio.h];
```

A diagram showing a dependency relationship. At the top is a gray rectangular box with a black border containing the text 'src/sprintf\_irc.h'. Two dark blue arrows originate from the bottom edge of this box. One arrow points diagonally down and to the left to a white rectangular box with a gray border containing the text 'stdarg.h'. The other arrow points diagonally down and to the right to another white rectangular box with a gray border containing the text 'stdio.h'.
