

get_rc_dna_indel

```
graph LR; A[get_rc_dna_indel] --> B[nt2int_rc_indel]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'get_rc_dna_indel'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'nt2int_rc_indel'.

nt2int_rc_indel
